Objective

Motivated HSC student with hands-on experience in web development, data tools, and digital design, seeking an internship or part-time role in IT, data, or digital media to apply and expand technical skills in a real-world setting.

Education

Chattogram Collegiate College 2024 – 2026 (Expected)
Higher Secondary Certificate (HSC)

Housing and Settlement Public School 2024
Secondary School Certificate (SSC) — GPA: 5.00 / 5.00

Skills

Computer Systems	Windows, macOS
Office & Productivity	Microsoft Word, Excel, PowerPoint; Google Workspace
Programming & Web	Python (basic), HTML, CSS
Design & Media	Canva, Adobe Photoshop (basic)
Other	Typing 50 WPM; Problem Solving; Quick Learner; Teamwork

Projects

School Website Mockup — HTML, CSS

- Built a prototype website to showcase school events and notices using semantic HTML and organized CSS, improving information accessibility for students and staff.
- Structured pages for clear navigation (Home, Events, Announcements) and easy future expansion.

Attendance Tracker — Microsoft Excel

- Designed an Excel workbook with formulas to log daily attendance and auto-summarize per-student totals, reducing manual tracking effort.
- Applied conditional formatting and dashboards to highlight absences at a glance, making patterns easier to identify quickly.

Activities & Leadership

- Campus Ambassador, IAOC National Math Olympiad 2026** — Recognized for outstanding leadership, commitment, and contribution; drove student participation and represented the college at a national level.
- Organiser, Inter-school Quiz Competition** — Coordinated participants and managed on-day logistics, ensuring smooth execution of the event.
- Member, Computer Club** — Actively participated in peer learning sessions and school tech initiatives; contributed to knowledge-sharing among members.
- Volunteer, Peer Tutoring** — Taught basic computer skills to classmates, strengthening both communication and technical explanation abilities.

Achievements

- Semifinalist, ICT Olympiad Bangladesh — Season 3** — Competed among top student technologists nationwide, reaching the semifinal round in one of Bangladesh's most prestigious ICT competitions.
- National-Level Recognition** — Awarded Campus Ambassador title at the IAOC National Math Olympiad 2026 for exemplary leadership and contribution.
- Certificate of Participation** — Inter-school Quiz Competition.
